

Ohio

Data Center (OHS-1)

OHS-1 is a 44,000 ft²/1.4 MW data center, custom-built on a 3.5-acre campus in Dayton, in easy strategic reach of Cincinnati, Columbus, and Indianapolis. This facility provides the highest levels of redundancy, security, efficiency, and connectivity, with 100% renewable power, N+1 redundancy, the highest compliance standards, and PUE as low as 1.2. OHS-1 houses a varied customer ecosystem with a range of enterprises, particularly financial and network service providers.

“ We were looking for a provider that was focused on providing enterprise-grade data center space, power and network access. They allow me to focus on my business. I don’t worry about the data center anymore and that lets me sleep a little easier at night. ”

Meritage Homes

Why choose OHS-1?

> **Connectivity**

Wide selection of carriers for easy interconnection and cloud access

> **Compliance**

Exceptional reliability with the industry’s most comprehensive compliance program.

> **Efficiency**

Year-on-year efficiency gains with design PUE as low as 1.2
