

HELPING YOUR BUSINESS SUCCEED

WHO WE ARE

Thousands of businesses, just like yours, create confidential information every day. Here at Iron Mountain, we focus on protecting it. Whether it's storage, tape or cloud backup, or secure shredding, we've been handling some of the world's most important records for more than 70 years.

Maintaining our customers' trust is at the cornerstone of who we are and what we do.

Here are the numbers:

- > 90,000+ small and medium-sized businesses trust us to securely store, destroy, and protect their information.
- > With 742 facilities across North America, Iron Mountain provides a local and convenient solution to businesses in the U.S. and Canada.

WHAT WE DO

Information management has changed over the years but so have we. Iron Mountain is here to help you navigate the ever-changing business landscape, so you can focus on what you do best.

SECURE STORAGE: With local, convenient, and secure offsite storage, we manage and protect your vital business documents for easy retrieval as needed.

DIGITAL TRANSFORMATION: Allow us to create a strategy to meet your needs, with options like scanning, Image on Demand, and Iron Mountain InSight® Essential.

SECURE DESTRUCTION: Secure shredding and e-waste disposal that is local, secure, cost-effective, and convenient.
