

# FOREVERSAFE SUBSCRIPTION SERVICE

Iron Mountain's **ForeverSafe** provides simplified offsite tape vaulting services.

## WITH FOREVERSAFE, YOU CAN:

Count on flexible plans that can change as your needs

Rely on transparent pricing so you can easily budget

Use a trusted vendor to protect your data long-term

### AVAILABLE STORAGE AND SERVICE TIER OPTIONS

ForeverSafe's monthly subscription plans are designed based on the storage and services you need.

- > You can move up to a larger plan at any time.
- > You can move to a lower plan once a year.
- > A minimum 1 year commitment is required per plan.

All packages include unlimited handling and administrative fees, containers and other items quoted separately.

### WHY FOREVERSAFE

Iron Mountain understands it's business critical for you to optimize reliability, security, accessibility, and cost when choosing how best to protect your data. That's why ForeverSafe uses a simplified storage, service and pricing model. Data storage is a big job. Save your organization time, money and space, and let Iron Mountain give you the confidence you need to improve data storage.
